Career Expertise

Associate Consultant

Stellium Consulting India Pvt Ltd | Bengaluru

01/2023 - Present

- ▶ Developed custom modules for **SAP S/4HANA T-Codes**.
- ▶ Designed and implemented **integration between TOSCA and Jenkins**, enabling functional teams to execute automation test cases directly from Jenkins.
- ▶ Led **TOSCA-ADO migration**, transitioning automation execution pipelines from Jenkins to Azure DevOps.
- ▶ Maintained and created regression test suites in Jenkins and ADO.
- ▶ Executed weekly regression runs and monitored test results for multiple product lines.
- ▶ Collaborated with business teams to update ADO tasks and test progress daily.
- ▶ Gained strong expertise in **banking payment flows** and **test data management**.

GPS UAT Test Lead

HSBC | Hyderabad

11/2021 - 01/2023

- ▶ Executed **manual and automated test cases** for **Global Payment Systems (GPS)**.
- ▶ Maintained and enhanced **regression automation scripts** using **TOSCA** for every release.
- ▶ Conducted **E2E testing**, ensuring coverage of high-priority business workflows.
- ▶ Worked in a **hybrid Agile environment**, participating in sprint reviews and defect triage.
- ▶ Prepared test scenarios and validated results against acceptance criteria.

Associate

Cognizant Technology Solutions | Coimbatore

11/2018 - 11/2021

- ▶ Executed all phases of **Software Testing Life Cycle (STLC)** in waterfall and hybrid environments.
- ▶ Designed and executed **functional, regression, smoke, and UAT test cases**.
- ▶ Automated **SAP, Web, and API testing** using **Tricentis TOSCA**.
- ▶ Performed **API automation** using **Postman** and **TOSCA API tool**.
- ▶ Managed test artifacts and defect tracking in **Azure DevOps** and **qTest**.
- ▶ Conducted **knowledge transfer sessions** to onboard new team members.
- ▶ Received "**Emerging Tester**" Award (June 2019) for excellence in automation delivery.
