EXPERIENCE

Sceaims Private Limited – Technical Support Execute - (2 Years)

I am currently working as a Technical Support Executive at Sceaims Private Limited, where I specialize in providing end-to-end technical support and field service for a wide range of electronic and IT infrastructure systems, including CCTV surveillance, biometric attendance systems, access control solutions, burglar alarm systems, fire alarm panels, networking equipment, public address (PA) systems, server maintenance, system-level repairs, and conducting live demo of interactive panels for clients.

INTERNSHIP

SL LUMAX PVT LIMITED,CHENNAI

Completed internship at SL Lumax Pvt. Ltd. with exposure to practical applications in the technical support and electronics domain

ACHIEVEMENTS

"Successfully conducted product demo of Elmo brand interactive panels at VIMS Hospital – Veerapandi, AMMETHA School – Tirupur, and NIRT Renewable Energy Pvt Ltd – Salem, showcasing features and functionality to key stakeholders.
