## SUMMARY

Computer Science Engineering graduate with 3+ years of experience in B2B development and EDI solutions. Skilled in IBM Sterling Integrator, MySQL, AWS, and DevOps, with a strong foundation in MFT and file transfer tools. Eager to apply my technical expertise and passion for continuous learning in a dynamic organization.

## SKILLS

- EDI: IBM B2B Sterling Integrator, EDIFACT, ANSI x12, FTP, SFTP, AS2, B2B Integration, XML, CSV file transfer, MFT.
- Cloud Platform: AWS
- Database: MySQL, Firebase
- Languages: Shell Script, Core Java, JavaScript, Html, CSS
- Operating System: Windows, Linux

## WORK EXPERIENCE

### Programmer Analyst at Cognizant Technology Solutions

Oct 2022 - Present

- Gained hands-on experience with IBM Sterling Integrator, including creating envelopes, code lists, supplier accounts, trading partner entries, and managing updates such as password changes and certificate renewals.
- Designed and implemented the EDI (Electronic Data Interchange) solutions to speed up transactions and lower error rates by enabling accurate and efficient data interchange between business partners.
- Closely collaborated with clients to enable new Sodexo partner. Successfully enabled the supplier to the Sodexo by working with partner and business on the creation of their connection account.
- During the supplier onboarding process, Explained complicated EDI principles to the stakeholders and assisted them in understanding the concepts.
- Actively participated with the team from testing to production deployment of transactions. Worked on the on-calls, Password updates, profile updates, supplier go-live and effectively participated in application building and service maintenance processes.
- Contributed to map enhancements and resolved critical job failures. Conducted knowledge transfer (KT) sessions for new joiners.

### Trainee at Cognizant

May 2022 - Oct 2022

Completed 6 months Training and Internship at Cognizant. Where I got knowledge of EDI, MySQL, FTP, SFTP, AS2, Sterling Integrator.

## EDUCATION

Batchelor's of Engineering in Computer Science from  
Priyadarshini College of Engineering, Nagpur

Aug 2019 - Jun 2022

Diploma in Computer Science of Engineering from  
Government Polytechnic Ambad, Jalna

Aug 2015 - Jun 2019

## CERTIFICATION

- AWS Cloud Practitioner
- Sterling Integrator: Udemy
- Java: Udemy
- MySQL: Udemy
