## Career Objective

As a Graduate Civil Engineer, I'm looking for a job role in a reputed company where I can utilize my skills and knowledge that allows me for career growth and further development of my skills.

## Personal Details

- Date of Birth : 10-08-2001
- Nationality : Indian
- Gender : Male
- Father's Name : Raju Nagavarapu

## Technical Skills

- [AUTO CAD, STAAD Pro & Arc GIS] - Beginner Level
- Surveying & Levelling
- Construction and Management of Building and Road
- Quantity & Cost Estimation based on DSR & DAR
- Standard Field Quality Plan
- Site Supervision & Execution
- Construction Materials & Testing
- Quality Control/Quality Assurance (QC/QA)
- Bar Bending Schedule (BBS)
- Health, Safety & Environment (HSE) Practices
- Workforce Allocation, Daily Progress Report & Client Coordination
- MS Office
- C, Python, Java, SQL & HTML

## Education

- **Rajiv Gandhi University of Knowledge Technologies, Srikakulam** 2018 - 2022  
Bachelor of Technology (B.Tech) in Civil Engineering  
8.49
- **Rajiv Gandhi University of Knowledge Technologies, Srikakulam** 2016 - 2018  
Pre University Course (PUC)  
7.34
- **A.P. Model School, Ponduru, Srikakulam District** 2015 - 2016  
School Secondary Certificate (SSC)  
9.7

## Experience

- **Power Grid Corporation of India Limited (PGCIL)** 16-10-2023 - 15-10-2024  
Graduate Apprentice Trainee  
As a Graduate Apprentice Trainee in Power Grid Corporation of India (PGCIL), I've developed my knowledge and skills in Civil Engineering. As it was a Maharatna PSU, I got a great opportunity there to expose and involve myself in many projects. One year of experience made me feel confident and skilled.
- **AVP Infracon Limited** 11-08-2025 - 30-08-2025  
Site Engineer  
During my short tenure as a Site Engineer at AVP Infracon Limited, I gained valuable exposure to the practical aspects of civil engineering projects. I understood the importance of site supervision, labor management, and coordination with clients and contractors. I also observed how project deadlines and quality control are managed on-site, which gave me insights into the challenges of balancing technical requirements with real-time execution.

## Projects

---

- **Rooftop Rainwater Harvesting System**

Rooftop Rainwater Harvesting is the technique through which rain water is captured from the roof catchments and stored in reservoirs.

- **Mapping of artificial groundwater recharge zones for krishna basin using RS and GIS**

Artificial groundwater recharge plays a vital role in sustainable management of groundwater resources. The study was carried out to identify the artificial groundwater recharge zones using remote sensing and geographical information system (GIS) for augmenting groundwater resources.

## Internship

---

- **Road Construction Work**

Completed two months of internship on 'Road Construction Work' at (R&B) Circle, Srikakulam. I've learned and experienced the stages of work involved in road construction and got an idea on how to survey, level and mark by manual and total station.

## Achievements & Awards

---

- Got selected for National Means cum Merit Scholarship (NMMS).
- Qualified in GATE 2025 - Civil Engineering (CE).
- Qualified RRB JE - Prelims (Civil Engineering), 2025.

## Personal Qualities / Soft Skills

---

- Having Strong Interpersonal Skills like Good Verbal & Written Communication, Honesty, Accountability, Team Work, Patience, Punctuality, Empathy, Customer Handling, Problem-Solving, Adaptability, Flexibility, Active Listening and Learning.
- Organizational Skills like Time Management, Multi Tasking, Attention to detail, Planning & Scheduling.

## Volunteer Activities

---

- Volunteered in NSS Activities like ODF Campaign conducted by my college administration.
- Actively participated in Community Service Programs organized by NGOs like 'Ignited Minds' and 'Akhanda Seva Samsthan'.
- As a social responsibility, donated blood several times through institutes like 'Andhra Hospitals', 'Tamil Nadu Blood Transfusion Council' & 'Lions Blood Centre Jeevadhara' in service to suffering patients and support to community's blood supply and gained Soft Skills like Empathy, Compassion and Selflessness.

## Languages

---

- Telugu
- English
- Hindi
- Tamil

## Tutoring Experience

---

- Worked as a Freelancing Tutor in Civil Engineering Subject in Platforms like Chegg and Coursehero for more than 3 years and gained knowledge, problem-solving and time management skills.

## Declaration

---

- I hereby declare that the information is correct and true up to my knowledge, I bear the responsibility for the correctness of above-mentioned particulars.
